GROUNDS

Finding availability of suitable and finest grounds for cricket has become a rarity. But we have redefined its meaning and have spent time with our ground men on maintenance and creations. Four of the examples are Sector 9 stadium cricket ground, KITM | KIS Karnal, Pratap School sector 6, Ops Sector 13 & Meerut Road.

In past, with our own personal development, we might have missed opportunities even with such pioneer talent we have had but were not able to enhance ourselves due to lack of directions and equipments. So, we learnt for others for our young's to give them best. Let's join us, all you need is to fill out the online form on our website under contact us it will come direct to the management there on we will contact you back accordingly.

STATE OF THE ART GROUNDS

Infrastructure plays such an important role in any sport. For cricket ground is one major asset that an academy must have for its trainees and players so that they can train at any time of the day, any day of the week and any month of the year. A well equipped ground with all latest techniques for practice is available with us. This changes an ordinary player to a cricketing star within a span of time. We look forward to give all facilities equivalent to an international cricket stadium in near future.

ACADEMY BY EXPERIENCED CRICKETERS

Right training at right time leads your career to a position from where you taste success only. We always enhance on providing world class training to all our players and trainees by renowned and highly experienced local cricketers. These trainers are gems of our academy as they make sure that best efforts made by all individuals involved in the training. Organizing workshops by renowned cricketers is a regular practice at our place to keep all our participants motivated. We aspire to create a nursery of players readily available for small, medium and big tournaments played across the state and country.

TOURNAMENTS & MATCH PRACTICE

Always being match-fit and match-ready is so important in this Cricketing era. We make sure that all our players and trainees are up-to date and always ready to play a competitive game of cricket. We accomplish this by providing them enough opportunities in the form of tournaments, where they can visit, participate and perform to their best caliber. This help us bringing best out of them and shapes an individual to a complete sports person. This approach of ours to expose players to tournaments creates a WIN-WIN Scenario for everyone.

MESSAGE FROM FOUNDER

Being I Aseem Saini the founder of this innovative idea have formed formal cricket clubs with the name "Universal 11" "Ozzie 11", How's that ?

Since I have personally lived many years in Australia and have played many different VTCA cricket clubs in Victoria at various levels have given my intention an extra edge to come out with such an idea of establishing a finest Cricket club in my home town to Nurture the Talent of deserving ones.
